In Memoriam

A man who excelled in many fields, he dedicated his life to teaching. He brought into the classroom a vast, practical experience to share with his pupils. Constantly alert to new developments in education he never ceased to study as he taught.

He set high standards for himself and his students expecting, not perfection, but the maximum accomplishment within their capabilities. For this, a generation of his pupils are grateful.

Girls' Tennis

The Girls' Tennis Team this year showed tremendous improvement over last season. Two Seniors and Co-captains Patty Healy and Phyllis St. George led an inexperienced team to a great season. Hard work by all make the future look great, with 10 returnees, including #1 singles Fran Herrmann and #1 doubles Lynda Ruel and Darci Dolloff next year.

Boys' Tennis

The 1975 Boys' Tennis Team had a record of 0-7, but despite the poor showing record-wise, this team did its best to win. Superior competition was our downfall. For a second year team which is still building and will continue to build, we faired well. We were shut out only twice, by Conard and Wethersfield.

CLASS HISTORY 1975

Recall yourself getting off the bus in September of 1972 about to enter Enfield High School for the first time.

After a 9-month reign in Junior High, we stood before these doors, our hearts intertwined with feelings of anticipation, awe, fear, and uncertainty about the future.

But enter we did to leave our mark upon the school and to take with us the engraved memories of Enfield High and our fellow students.

We knew we had to establish ourselves and helping us were the members of the Sophomore Student Council: President Patty McGowan; Vice-President Chris Andrews; Treasurer Sandy Kweder; Secretary Sally Loftus; and Class Historian Cory Kelly. The representatives were Kathy Bride, Jeffrey Curtiss, Laura Jarmoc, Cindy Jute, Kathy McGuinness, Lynn Sferrazza, Bruce Wardwell, Colleen Sullivan, and Pete Dumas.

Sophomore names appeared in many of our fall sports. Five members of our class enriched the Varsity Football Team: Dave Flower, Joe Dippel, Rich Morris, Dan Garvey, and Bill Olshafskie. Participating on the J.V. Football Team were the following sophomores: Tony Brown, Ron Chevalier, Carm Conte, Bill DeMur, Marcel Dubois, Brian Gamage, Frank Giguere, Frank Gould, Brian Hallett, Bruce Humphries, Steve Jerome, Bill Korona, Dennis LePage, John Mooney, Rick Olshafskie, Jim Santacrose, Bruce Soderland, Art Stoddard, Jeff Thibodeau, Bill Thomson, Michael Welsh, and James Preste.

The first Enfield-Fermi Thanksgiving Day Football Game was held that year and Enfield gave an outstanding performance as they shutout Fermi 23-0.

We had overcome the uneasiness felt at the beginning of the year and left school knowing that we had secured our place in Enfield High School.

It was with a feeling of confidence that we walked back through the doors of Enfield High in September of 1974. A new student council was elected. Chris Andrews became president; Pete Dumas vice-president, Kathy McGuinness, secretary; and Sandy Kweder was re-elected treasurer. This year we had two class Historians. Jeff Curtiss began the year and was later replaced by Tracy Strickland. The representatives in our Junior year were, Kathy Bride, Pam Gonyea, Laura Jarmoc, Paula Kilty, Lynne Mathieu, Karen Nelson, Colleen Sullivan, and Greg Wilby.

As football season approached, we knew it was going to be an exceptional year. Jim Hayden and Ray D'Amato were added to the squad. We stomped over Fermi in the Thanksgiving Day Game with a score of 39 to 21.

In the spring of 1974 the Track Team went co-ed. Joining the team were; Debbie Boisjolie, Vikki Burington, and Tina Lapointe. New male members were; Daryl Dumala, Howard Edgar, Dan Martin, James McCarthy, and Jim Vallee.

On the Boys Tennis Team were Russ Miller, Steve Cote, Mark Folsom, and Brian Hallett.

The Lamplighters presented two excellent plays that year **Flowers For Algernon** and **The Night Thoreau Spent In Jail**.

Laura Jarmoc was the recipient of the Walter Rensselaer Polytechnical Institute Math and Science Award.

1974 had been a good year for us. We had progressed much over the previous year and now anxiously awaited our final year at Enfield High School.

September had finally arrived. We were Seniors and there was no one better.

Chris Andrews was re-elected president of the Senior Class. Patty McGowan was our new vice-president and Leslie Malone our new treasurer. Kathy McGuinness was re-elected secretary and Tracy Strickland continued as Class historian.

Our Football Team gave us a very fine season under the leadership of tri-captains Dave Flower, Rich Morris and Joe Dippel.

On the Soccer Team Steve Magora and Pete King led us through the season and through two victories over arch rival Fermi High.

The girls had a dynamic season on the hockey field with Co-Captains Shelly Turgeon and Sandy Bailey.

Three new names appeared in cross country; Mike Cooney, Jim McCarthy, and Jeff Thibodeau. Co-captains were Rick Levasseur and Mark Thorstenson.

Leading the cheers which lead our teams on to victory was head cheerleader Sandy Kweder.

We lost a close basketball game to Fermi for the first time, we killed them the second time. Our captain was Center Jim Hayden.

Our Ice Hockey Team was captained by Tom Cummings.

Cheering at the basketball and hockey games was well known Section 32.

This years Wrestling team was tri-captained by Bill Nehila, Dave Flower, and Dan Garvey.

Our final event of the season was the winter prom, "Friends and Lovers."

Our Senior Class Trip was to Washington D.C. where we mixed a little education with a lot of fun.

This years presentation by the Lamplighters Drama Guild was one of their finest, **The Mouse That Roared**. It starred Brian Smith and Tracy Lovell, and Mike Castelveter.

Hitting off the spring sports was our Baseball Team. Captain of the Raider team was John Carollo.

Four seniors joined the Track Team this year; John Boudreau, Marcel Dubois, Rick Landry, and Bill Snow. Captain was Frank Gould.

The Boys Tennis Team was captained by Mark Folsom and Brian Hallett.

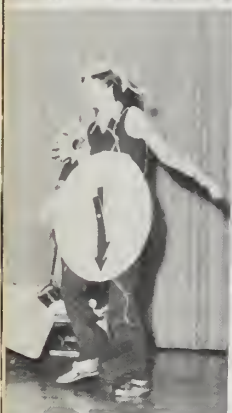

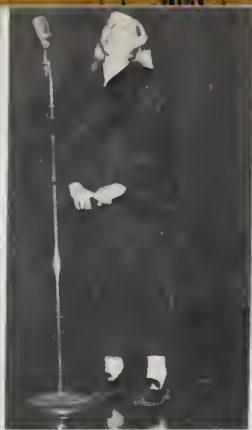

The Girls Tennis Team had a fine year. They were led by Co-captains Pat Healy and Phyllis St. George.

We rounded out our year with three memorable events as we reached the turning point in our lives. Thursday June 5 was Class Night. Finally on the following day Friday June 6 we the Class of 1975 graduated. On Saturday June 14 the Farewell **Prom When Will I See You Again** was held at the Sheraton Inn.

The insecurities we brought with us in September of 1972 have long since vanished and will now be replaced by the warm memories of friendships we have made and experiences we have shared.

And what a time it was,
It was
A time of innocence,
A time of confidences,
Long ago . . . it must be
I have a photograph
Preserve your memories,
They're all that's left you.

Dedication

No man can reveal to aught but which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom, but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

Kahlil Gibran

How can you thank a person who has meant and been so much to one class? It isn't easy, but we know you'll understand.

As a teacher and advisor you have overlooked the routine of schoolwork and become a good friend and counselor. With a combination of subtle wit (and not so subtle humor), you have transformed an ordinary class into a true learning experience. Gorilla jokes and derivatives do mix!

Your informal chalkside manner brings you closer to the student body, and mind, as a real person. You have given generously of yourself in time, patience and concern, working with the Variety Show cast, organizing the annual trek to Washington D.C., and even risking your life on the ski slopes.

Thank you, Michael Austin, for your undying wit and wisdom.

Class of 1975

Three years have passed since we entered Enfield High School. Although these years have been a small part of our lives, still they have been an integral part. In September of 1972, we were sophomores, excited, adventurous and still very much in our adolescence. Now in June of 1975, we are leaving Enfield High School as young adults, ready to challenge and experience whatever may lie ahead in life. We are leaving with a precious gift. This gift, molded from toil, error, and joy is an awareness of awakening adulthood. It was given to us by Enfield High School.

Everyone's grammar school vision of high school didn't come true. Much of the glamour seemed to vanish by the time we reached Enfield High. But, by now, we have realized that the most important lessons we could have learned here were not concerned with English, Math, or History, but with life.

Enfield High has been a place for us to be exposed to many new ideas; enabling us to choose and form our own. The greatest thing anyone could accomplish at E.H.S. was to learn how to get along with people whose ideas may differ from his own . . . because high school is our last sheltered step before "the big world."

As we leave Enfield High, full of hopes and energies, let's take the time to thank those who have helped us. Although we must look toward the future, we each know that the times and friendships shared at E.H.S. will always have a special place in our hearts.

The services of the counseling staff are available to students who need educational, vocational, social and personal counseling. Each student is assigned to a counselor. However, any student may at his own discretion make an appointment with **any** member of the counseling staff. Appointments may be made at any time with the receptionists in the guidance office. Areas in which counselors may be helpful to students are:

- | | |
|---------------------|----------------------------|
| Peer Relationships | College Selection |
| Adult Relationships | Testing and Interpretation |
| School Achievement | High School Curriculum |
| Course Selection | Vocational Planning |

In addition to the counseling services, students also have the opportunity to utilize the Guidance Resource Lab. This lab includes a broad selection of materials such as books, pamphlets, filmstrips, files, college catalogues, occupational information, a college viewdeck, occupational files and a filmstrip monitor.

Library

Mrs. Marie McGarry, librarian

Mrs. Charlotte Gracewski, secretary

Mrs. Mary Barnes, secretary

The library collection contains books, periodicals and pamphlets on all the school subjects from automobile mechanics to English drama.

The reading interests of young people are reflected in the great number of paperbacks and the many books on current social problems.

Audio-visual materials, such as phonographs records, tapes, and film strips, supplement the printed collection to make the library a true "learning center."

English Department

Mrs. Elizabeth Mullen,
Department Chairman

By continual evaluation of curriculum and constant search for variety of material, the English Department seeks to respond to the needs of Enfield High School students..

It is our hope that by thoughtful selection of courses and by active involvement in them, each student can enjoy increased competence in handling language and a growing knowledge of self.

SOCIAL SCIENCE DEPARTMENT. **STANDING, LEFT TO RIGHT:** Mr. Frank Taylor, Mr. Dennis Corso, Mr. Carl Gahm, Mr. Richard Vincent, Mr. Frank Gawle, Department Chairman Edward Bolland, and Mr. Richard Celio.

Mrs. Patricia Bigos

The 1974-1975 school year was one of continual attempts to provide avenues for self-realization and self-fulfillment for students in Social Science classes. The Social Science's curriculum has been designed to provide choices for students taking the Social Sciences. It is hopeful that their choices increase the possibility for all students to make some meaningful contact with society and its problems.

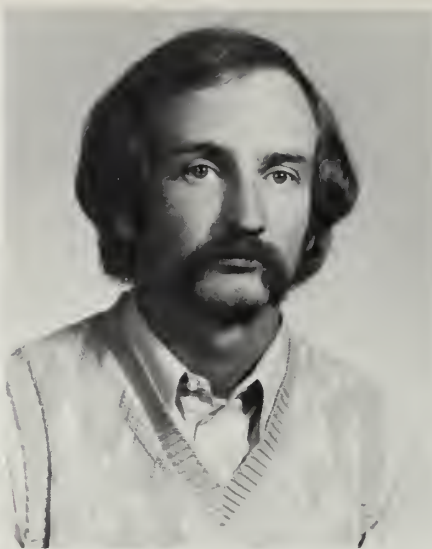

The basic philosophy of the lab is for learning to come alive through the hands of the students. This is a place of innovative learning. The students in the lab learn to work with teachers; they share ideas and help each other with various projects. Students in the lab also teach teachers and other students to use photographic equipment, tape recorders, and all types of technical aides. Working in the Social Studies Lab is a real learning experience.

The Business Department's curriculum offers comprehensive training in the basic skills needed for immediate entry in office and business related occupations. Opportunities are available for experiencing on-the-job training simultaneously with academic exposure in school. These opportunities apply to the areas of office occupations and the field of distribution. In addition, courses are offered as a stepping stone to further study.

The Mathematics Department offers an expansive selection of courses in an attempt to meet the needs of all students. These offerings range from introductory courses for those who desire a practical mathematics, to theoretical courses for those who will pursue mathematics beyond high school.

A resource center is available to the students which affords a conducive, yet informal, atmosphere in which to study and to experiment independently.

Scientific knowledge is increasingly important to all of us today. In recognition of this, the Science Department continues to evaluate and incorporate changes in the science curriculum.

The full-year courses offered to the students are: Advanced Biology, Advanced Chemistry, Biology, Chemistry, Physical Science, and Physics. The half-year courses include: Advanced Genetics, Anatomy and Physiology, Astronomy 1, Astronomy 2, and Ecology.

The department is participating in the COOPERATIVE PROGRAM FOR SUPERIOR HIGH SCHOOL STUDENTS with the University of Connecticut. Those who enroll in Advanced Chemistry are eligible for college credit.

Foreign Language

The Foreign Language Department at Enfield High has continually encouraged students to study a foreign language not only to expand their knowledge of other cultures, but also to improve their potential in the world of work.

French, German and Spanish are taught in an approach that is audio-visual with emphasis on the sounds and grammar patterns of the spoken language. Latin also is presented in a dynamic manner with audio-visual materials that help the student develop a better cultural understanding of classical antiquity and its implications in the present.

Family Living And Consumer Education

This year has been one of growth for the Department of Family Living and Consumer Education. Greater numbers of students are finding the courses offered to be vital in their high school program, and many boys are now making contributions in all areas of clothing and food, interior design, consumer education, and the Child Development and Human Relations courses have proved to be of special interest to students. The implementation of the nursery school laboratory has made the Child Development course more attractive. The course provides a valuable experience in preparing for parenthood and for vocational opportunities. The Human Relations course helps students to analyze and clarify personal values and goals which influence their relationships with others.

The success of the program indicates that student interests and needs are being met.

It has been a good year. Our expectations for new courses came through in spite of the eccentric meanderings of our enthusiastic staff. Field trips coupled with numerous exhibits have added spice to the already enjoyable art courses.

We will miss those of you who are leaving us and we hope you carry fond memories as you go into the "real" world.

Music

The Music Department of Enfield High School encompasses three areas of specialization: Instrumental, classroom and vocal music.

The instrumental area, under the direction of Mr. Dana Hawes, includes the marching and concert bands, as well as a string ensemble and individual instrumental study. Several members of our band have continued their pursuit of a career in music, both military musical organizations and in solo or group performances. We at Enfield High School could always depend upon our musicians to get us into spirit of things, either at athletic events or during holiday seasons.

The classroom curriculum is aimed to accommodate three different kinds of student: the general student, who may include the History of American Music (Music II) or Electronic Music in his studies; the college bound liberal arts and elementary education majors and the music minors, who would find history of European Music and Counterpart (Music III) both necessary and helpful; and the advanced music major, who would study advanced Music under the capable guidance of Mr. Leonard DeMaio.

Mr. Rocco Autorino is the man in the director's chair when our mixed and select choruses take to the risers for a performance. Mr. Autorino, an accomplished vocalist in his own right, selects music from a wide span of numbers, ranging from early sacred music to contemporary folk numbers. The vocal class which he conducts helps the student gain confidence in his solo work, improve his vocal technique, and realize the potential of his own voice.

The Music Department which has been consistent in turning out fine music students with college acceptance rate of 85%, has also received numerous awards and grants for its fine work. The Electronic and American Music courses have received government grants, and the latter has also been awarded a National Freedom Foundation Grant and the Downbeat Jazz Award. Compositions produced by the alumni of our department have been performed at Trinity College, the University of Connecticut, on the National Education Television network and at the National Teacher's Conference.

Mrs. Kathleen Bromage

The physical education department of Enfield High School offers a wide variety of activities. These activities include many individual sports such as archery, tennis, handball, gymnastics, and field events. It also offers such team games as speedball, volleyball, softball, soccer, and field hockey.

It is the main objective of the department to provide a wide background of activities that can be enjoyed after a student leaves Enfield High. The program also includes such intramural programs as flag football, basketball, handball, volleyball, softball, track and field and tennis.

This year the program has initiated a selective program for juniors and seniors. They meet three times a week for half a semester. Sophomores meet twice a week all year. The gym instructors have a more planned program for them, with all the sports most favored by the students included. With this idea, students have a choice of activities in the area of most interest to them.

The Enfield High School driver and traffic safety department contributes its resources to introducing young people to the highway transportation system. Preparing its students to be informed and active supporters of sound traffic safety programs are the major goals of the department. Although driver and traffic safety education is only one force that influences operator behavior, it is probably one of the most powerful influences. The course, although it cannot change student's "style of life", it can change his "style of driving".

Moments To Remember

Our Junior Prom "Moments to Remember" was held on April 6, 1974. At the door of the Baystate West Motor Hotel we were met by Danielle Bastien and Frank Giguere. After our meal, we danced to the music of Easy Street. We ended the evening knowing in years, this would be one of our fondest memories..

Advisory Board

Peter King

The Student Advisory Council is a board of fourteen students from Enfield's four secondary schools who meet on a regular basis with Superintendent Louis Mager and Assistant Superintendent Anthony Torre. The Council was formed in 1973 by the superintendent to bring high administrators and students close together in order for each to gain insights into the problems and propitious solutions.

Enfield High School's delegation included Sophomore Cindy Bacewicz, Junior Jim Brewcynski, Senior Steve Paul, and Senior Peter King, who has served two years on the panel.

The board met with Dr. Mager and Mr. Torre approximately twelve times during the past school year. Goals of the council include a more active student suggestion involvement, without which the panel cannot perform to the fullest capacity.

Long hours of practice both in school and out are what develops the proficiency of a cheerleading squad. Yet here at Enfield High our squad has learned that cheering lies beyond drilling and practices; cheerleading is giving and giving not only of skill and physical endurance-but of oneself. It is a full time sport with all of its own triumphs and frustrations, many of them unknown to a crowd of fans.

From soccer, cross country, and football long past basketball season the cheerleaders at E.H.S. bring life and spirit to the Green and White. Good sportsmanship knows wins and losses, and through them all the girls never seem to abandon faith.

In each and every one of us there lies a body of spirit waiting to burst forth and fly. An enthusiastic fan, a zealous shout, or simply a warm smile returned, let a cheerleader know that she is helping set free that spirit. The thrill of bringing joy to a crowd or to just one fan is the only, yet the ultimate reward that a cheerleader experiences.

Coach Bruce Barmak

The 1974 edition of the Enfield Cross Country team showed much improvement in running to a 4-8 record under the leadership of Coach Bruce Barmak. While this is not a winning record, it must be taken into account that this is only the 2nd year that Enfield has had a cross-country program. This was also the initial year in the CCIL which is one of the best athletic conferences in the state.

The team was led by Sophomore Joe Cummings who set a school record of 15:23 on the home course. This team, as evidenced by the Long Green line showed tremendous depth as was seen by the consistent performance of Seniors Mark Thorstenson, Fred Fisher, Jeff Curtiss and Juniors Doug Pike, Mike Flanagan, and John Stoddard. This group being commonly referred to as the "Varsity Seven".

Other members of the team showing tremendous improvements were Seniors Rick Levasseur, Mike Cooney, Jim McCarthy, and Jeff Thibodeau. Sophomores Matt Hazen, Greg Pike and Bill Stack who placed 8th in the CCIL JV race all ran consistently all season.

Beyond their individual performances, the team accomplished many firsts, among those being a meet held during a football game with a win over crosstown rival Fermi.

The 1974-1975 Enfield High School Soccer Team, under the coaching of Bill Teed, has been one of the most successful soccer teams Enfield has ever seen. Led by Co-Captains Peter King and Steve Magora, along with six other seniors, the Raiders established an outstanding record of ten wins and five losses to place second in the CCIL.

The Raider's greatest moments came when they defeated the Fermi Falcons 4-0 and 5-1. The Raiders then continued their season by qualifying for the Class L finals in the state tournament. Although eliminated from the finals by Darien 3-2, in double over time, the Class of 1975 will never forget the fine performance of the Raiders.

Junior Ed McCoy was the Raider's leading scorer this season with 14 goals, followed by Steve Magora with 13. Also figuring prominently in Enfield's overall 10-5 record were John Connolly and Don Whittle, both juniors, who tallied seven goals apiece. Goalies John Badger and Steve Cutler, along with Fullbacks Paul Wakelin, Eric Longfellow, and Peter King kept their opponents' scoring to a bare minimum. Precision passing was the speciality of Halfbacks Comie Buanno, Dan Sullivan, and Ted Wagner, all outstanding midfielders.

Thanks to the hard work of Coach Teed and a lot of team work and practice on the team's part, the 1974-1975 Enfield High Soccer Team has given us something to be proud of and a lot of fine memories.

Senior Co-Captains Shelly Turgeon and Sandy Bailey led the combined Varsity and Junior Varsity Girls Field Hockey Team to a season record of 5 wins, 7 losses and 2 ties.

Despite the slow start, with total teamwork and skillful contribution from Valerie Smith, Phyllis St. George, Mary Dunagin, Arlene Chooligan, Janice Cerrato and Debbie Boisjolie, the 2nd half of the season was dominated by wins.

Outstanding performances came from all other members of the team who will return for another year or two and help keep our "Raider Pride."

Our girls provided an exeptional display of talent as they battled Fermi to a 1-1 tie and were then defeated in their second attempt 1-0.

The experience of the upperclassmen gave the sophomores and juniors of the J.V. team the needed experience to pile up a 10 win, 1 loss and a 2 tie record. As in all teams, cooperation and hard work led to the suecess of this team, which set the bright new foundation for next year's team.

After losing ten out of eleven offensive starters from the 1973 team, the Class of 1975 made a respectable 4-5-1 showing in football.

The Raiders began their season with three mediocre performances which resulted in two losses and a tie. However, Senior Tri-Captain Quarterback Joe Dippel led the Raiders to romp over CCIL rivals Windham, East Hartford, and Manchester. Dippel, who scored ninety points during the season, was equally effective running and passing. He was ably supported by Rich Morris and Dave Flower, the other two captains, who keyed the final Enfield victory against Penney. A thrilling 37-34 defeat to Fermi ended the season.

Other performers from the Class of 1975 who made their presence known on the gridiron included Receiver Jim Hayden, recipient of many a Dippel toss, Center Dennis Lepage, Linebacker Dan Garvey and Defensive End Bruce Humphries, a fierce competitor.

A strong nucleus gives the impetus for a banner season of Enfield football next year.

What is there to say about a losing team, when you are only interested in win-loss records? Nothing! But as all of us know, there is much more involved when coaching or competing in any sport.

Many will think that we were trying to swim above our heads, in the very aggressive CCIL this year. However, we have gained the poise and confidence from this experience, so that in seasons to come, we will be able to hold our heads high in defeat and to be humble in our triumphs. For when that final lap is swum, we will look ourselves in the eye and know that we have done our best and be proud in that fact alone.

Together the coaches and captains Bill Snow, John Carollo, and Ed Fetko, led the team through a tough schedule for the first time in the competitive waters of the CCIL.

Captains Bill Snow and John Carollo qualified for the Connecticut State Swimming and Diving Tournament. Both captains went on to break school records.

Long hours and hard work were all worth it for the Girl's Varsity Basketball Team as they ended with a winning season.

It was the rebuilding year for the team with Captain Shelly Turgeon returning as the only varsity player. But the girls made up for their lack of experience with their skill, talent, and devotion.

One of the highlights in the season was their defeat over the Fermi Falcons. The girls defeated the Falcons 45-33.

Behind the devoted coaching of Mrs. Kathleen Bromage the team throughout the season demonstrated their motto, "Don't let up."

Next year looks very bright for the girls who are looking forward to an even better season.

Coach John Skypeck

Many things were said before the opening of the Raiders 1975 hoop season. Our young and inexperienced team was underestimated, the reason being the loss of five starting varsity players to graduation. Coach Skypeck took the few seniors and juniors he had and combined them to create a basketball team that completed with a winning season.

The Raiders were led by Senior Captain Jim Hayden, who received much recognition as the area's top scorer. Making fine performances on the court were Senior Guards Steve Magora and Carm Conte and Junior Ed McCoy. Forwards Steve Lamond and Don Whittle both juniors, with their shooting and rebounding skills, helped make our Raider team a winning combination.

The big highlight of the season was Enfield's thrilling victory over the Fermi Falcons, in their second contest 64-58. The Raiders then went on to qualify for CCIL tournament play. Spirit never dwindled as the Enfield Raiders battled for each and every victory.

After facing a losing season last year, the EHS hockey team backed by its loyal fans set up shop at the new Enfield Twin Rinks determined to rewrite the records. Having home ice was bound to improve the team's performance but to what degree remained to be seen.

Five seniors, Wendel Grigley, Tim Grigley, Phil Pouche, Ron Chevalier, and Frank Giguire put together their talents with another senior Tom Cummings in helping him to protect the home net, and keeping their opponents scoring to the minimum.

These six seniors lead the pack of underclassmen who represent the base of next years team and another season of exciting interscholastic ice hockey.

Farewell to you —
And the youth I have spent with you,
It was but yesterday
We met in a dream.
You have sung to me in my aloneness
And I, of your longings
Have built a tower in the sky.
But now our sleep is fled
And our dream is over
And it is no longer dawn.
But I do not see the dawn as over
On thus, a farewell of our youth gone.
Rather as the beginning of an eternity and wholeness
A birth of life and of joy and of self.
And indeed it was no dream
Only, perchance, too much reality.
Through our love and our youth
I have too much but for too simple a love to tell of,
And a feeling only seen in our hearts and eyes.
